

## Board of Directors Job Description

Lionsview Seniors' Planning Society is looking for people who would like to volunteer as a board director. Lionsview is a unique organization which plays a valuable role in the community as it acts as a strong voice for seniors through research, planning, coordination, collaboration and education. Our primary activities are the Seniors Action Tables, the Services to Seniors Coalition and Senior Planning Initiatives.

This volunteer position entails monthly meetings, including some committee work. The person should bring a variety of skills, experience and diversity to the organization and have concerns for the organization's development. They are willing to learn and remain up-to-date about the needs of seniors on the North Shore. The person should be willing to contribute personal resources of skill and time to the organization. They should be willing to develop the further skills they need in order to be effective Board members (e.g., the ability read and understand financial statements or use internet and email).
