

A Strong Voice For Seniors on the North Shore

The Lionsview Seniors' Planning Society is funded in part by the City of North Vancouver, the Districts of North and West Vancouver, the United Way of the Lower Mainland and the Province of British Columbia.

Your Membership is Valuable

Lionsview Seniors' Planning Society acts as a strong voice for seniors on the North Shore through planning, coordination, collaboration, research, and education. We promote the participation of seniors in the ongoing coordinated planning and delivery of health, social, and all other activities that affect the quality of our lives. Seniors, and all other citizens, have the right and the responsibility to make informed decisions on matters that affect their well being. Our vision is that LSPS is a community where all North Shore Seniors are included, informed, autonomous, connected, empowered, and engaged.

Mission Statement

Lionsview Seniors' Planning Society informs and advocates on issues relevant to North Shore Seniors.
